

## Corrigendum-Haryana Sugarfed

### Installation, Operation and Maintenance of a Bio-CBG Plant at Cooperative Sugar Mills of Haryana on PPP Mode

S. No.	Subject/Clause/Page No.	Clause	Amendment / Deleted
1.	<b>Special Purpose Vehicle</b> Note point no_4, (Page no. 8)	"Where the Bidder is a single entity, it will be required to form an appropriate Special Purpose Vehicle, incorporated under the Indian Companies Act, 2013 (the "SPV"), to execute the Concession Agreement and subsequently undertake all the responsibilities of the Successful Bidder/Consortium and implement the Project as stipulated in the Concession Agreement."	Where the Bidder is a single entity, it will be required to form an appropriate Special Purpose Vehicle, incorporated under the Indian Companies Act, 2013 (the "SPV"), to execute the Concession Agreement <b>or an agreement</b> and subsequently undertake all the responsibilities of the Successful Bidder / Consortium and implement the Project as stipulated in the Concession Agreement.
2.	<b>Proof of TDS Deduction</b> Clause 1.8 (page no. 3)	ITR Copy and 26AS in proof of TDS deducted for the services rendered of firm/Company of last three financial years i.e. (2022-23, 2023-24, and 2024-25)	Deleted
3.	<b>Balance Sheet</b> <b>Clause no. 1.7</b> (page no. 3)	Balance Sheet of last three Financial Year duly certified by CA Firm i.e. (2022-23, 2023-24, and 2024-25)	Balance Sheet of last three Financial Year duly certified by CA Firm i.e. (2022-23, 2023-24, and 2024-25) along with three years ITR 2022-23, 2023-24, and 2024-25)
4.	<b>Use of Technology</b> <b>Clause : Note Point Number 1 and 2</b> (page no. 8)	(i) Bidder should submit MNRE Technology Approval Certificate or equivalent proof that the technology used is approved by MNRE, along with a Letter of Intent (LOI) from Oil Marketing Companies (OMCs) licensed to produce Bio-CBG. (ii) If the technology used is not approved by MNRE, then the bidder must submit a copy of signed MoU / Agreement with technical support partner firm.	As directed by the Ministry of New and Renewable Energy (MNRE), the Bidder shall use only MNRE-approved feedstock. All equipment, technologies, products, and by-products related to the project shall conform to the existing or latest BIS/ISO standards applicable to biogas plants, biogas engines, generator sets, gas scrubbers, energy meters, biogas flow meters, and other relevant components. The equipment and the overall system shall also comply with the requirements of the State Pollution Control Boards/Central Pollution Control Board and all other applicable rules and regulations.

y

			The Bidder further provides a self-undertaking that all equipment, technologies, products, and by-products deployed under the project shall strictly conform to the existing or latest BIS/ISO standards applicable to biogas plants and associated systems.
5.	<b>Revenue Sharing</b> Clause : 1.1 (page no. 10)	If a bidder wishes to share revenue from the main product and by-products, they should indicate the revenue-sharing percentage and provide an estimated annual revenue amount based on the prevailing Bio-CBG plant economics	If the bidder intends to produce CBG using any additional raw material apart from press mud, they must specify the revenue share per unit of CBG produced. The use of any additional raw material will be permitted based on mutually agreed per-unit revenue sharing for the CBG produced.  The selection of the bidder shall be based on the cumulative price quoted for Press Mud across all proposed clusters, together with the offered per-unit price for CBG as additional income from other feedstock, calculated at 60% capacity utilisation (for 300 days of operation in a year), solely for the purpose of determining the H1 Price. Actual revenue sharing will be on actual production.
6.	<b>Contract Period and Extension</b> Clause: 1.1 (Page no. 10)	Furthermore, the expected lock-in or contract period for such projects may be proposed and finalized through mutual agreement.	The initial lock-in period for the project is <b>20 years</b> , which may be extended further based on mutual agreement between both parties.
7.	<b>Annual Escalation</b> Clause: 1.1.7 (Page no. 10)	"The proposed Project Site shall be licensed to the Concessionaire at a land lease rate of 2% of the prevailing Collector Rate per year, with an annual escalation of 2%, or 2% of the Collector Rate of that year, whichever is higher"	The proposed project site will be leased out to the bidder at 2% of the prevailing Collector Rate for that year, and the leased land shall be used exclusively for the CBG plant. The land lease price shall be applicable from the date of signing of the agreement between the Bidder and Mill /Cluster/Clusters.
8.	<b>Duration of Land Lease</b> Clause 1.1.7 (Page no. 10)	The land lease period shall be up to 20 years"	The land lease period shall be <b>20 years</b> , which may be mutually renewed in line with the project's continuation and requirements.
9.	<b>Supply of Press Mud</b>	The arrangement for the procurement and supply of	The Mill will only facilitate the procurement and supply of

ys

	Clause-5.1 (Page no. 13)	Press mud shall be done by the MILL. The supply of Press mud as per indent of the PARTY up to the pre-treatment section will be the responsibility of the MILL. The indent will be issued by the PARTY in advance.	press mud only up to the conveyor point near the press mud production area. All further transportation, handling, and arrangements beyond this point—including movement to the pre-treatment section—will be the sole responsibility and cost of the BIDDER. The Bidder shall ensure timely lifting of Press Mud so that the operations of the mill remain unaffected. In the event of any delay in lifting, the mill shall be at liberty to arrange lifting of Press Mud at the risk and cost of the Bidder.
10.	<b>Sub-contracting</b> Clause 2.8 (Page no. 13)	Sub-contracting of said contract work will not be permissible.	The Concessionaire may sub-contract parts of the work, but the entire Project cannot be handed over to another entity.
11.	<b>Date of EMD Submission</b> (Page no.2)	19-11-2025	26-12-2025  The EMD will be fixed for this tender, and no separate EMD is required for each cluster.
12.	Submission Date (page no.1)	25-11-2025 Time: 10:00 AM	26-12-2025 Time: 04:00 PM
13.	<b>Imposition of Penalty</b> (Page no.9)	"nor has been expelled from any project or contract by any public entity nor have had any contract terminated by any <b>public entity</b> for breach by such bidder,"	nor has been expelled from any project or contract by any government body/department/PSU nor have had any contract terminated by any government body/department/PSU for breach by such bidder,"
14.	<b>Supply of Press Mud</b> Clause 1.1.13 (page no. 11)	The Amount shall be payable by the Concessionaire from the 1st day of the 19th month after signing of the Agreement or date on which the plant installation, commissioning and Completion Certificate is issued by HAREDA and Project goes into production/operation, whichever is earlier, on a prorata basis for the balance Financial Year.	The Pressmud produced during the crushing season 2027-28 onwards shall be used by the bidder in all circumstances else the mill shall be free to sell the press mud in the open market. The difference between the H1 press-mud price and the prevailing market price shall be recovered from the bidder. The press mud production range for each mill has been provided in Annexure-A.
15.	<b>Carbon Credit</b> Clause 1.1,14 Page 11	Addition	Successful bidder to share 50% of the carbon credits obtained with cooperative sugar mills.
16.	<b>SPECIAL CONDITION FOR NEGOTIATIONS</b> Clause 17	In case of acceptance, he would be treated as the L1 bidder	In case of acceptance, he would be treated as the H1 bidder

	(Page no. 16.)		
17.	<b>HAREDA's Inspection. Clause 1.1.18 (Page No.</b>	<p>The implementation of the Project during the installation phase shall be technically reviewed and monitored by Haryana Renewable Energy Development Agency (HAREDA) and designated officials of the Haryana SugarFed/Cooperative Sugar Mills duly authorized in this regard. HAREDA shall certify the successful installation of the Bio-CBG Plant before the same is put to commercial operations by the Concessionaire. The charges to HAREDA for monitoring and inspection shall be paid by the Sugar Mill through Haryana SugarFed</p> <p>as per mutual settlement and the same shall be debited to the account of the Concessionaire. The Concessionaire will provide unimpeded access to the officials of Haryana SugarFed/ Sugar Mill at all times during the Concession Period.</p>	<p>Bidders seeking to avail Central Financial Assistance under MNRE must note that the Project Implementation Agency for Haryana — Haryana Renewable Energy Development Agency (HAREDA) — will review and monitor the implementation of the project. The implementation will also be reviewed by designated officials of Haryana SugarFed/Cooperative Sugar Mills duly authorized for this purpose. HAREDA shall certify the successful installation of the Bio-CBG plant before it is commissioned for commercial operations by the Concessionaire. The charges payable to HAREDA for monitoring and inspection shall be borne either by the Bidder or MNRE, as decided by MNRE. The Concessionaire shall provide unimpeded access to the authorised officials of Haryana SugarFed /Sugar Mill during working hours throughout the Concession Period.</p>
18.	Financial Bid Page no 27	Press mud rate in Rs (Per Qtls. Basis)	For determining the H1 price, the cumulative price quoted in Rs. for Press Mud (Per Lakh Qtls. Cane Crushed) across all proposed clusters shall be considered along with the offered per-unit price for CBG as additional income from other feedstock, calculated at 60% capacity utilisation (for 300 days of operation in a year).
19.	<b>Part of Clause 1.2</b> Page no. 10.	having capacity of at least ..... TPD or above	Deleted
20.	<b>Technical Eligibility Criteria</b> Description no. 2 (Page no. 7)	Have valid MoUs / LOIs from Oil Marketing Companies (OMCs) for setting up a Bio-CBG plant of 5 TPD and more.	Have valid MoUs / LOIs / <b>License</b> from Oil Marketing Companies (OMCs) for setting up a Bio-CBG/Bio-

YS

			Ethanol plant of 5 TPD and more.
21.	<b>Change of Land use Part of clause 1.1.15</b> (Page no. 12)	However, the change of land use in respect of the Project Site will be obtained by Cooperative sugar mills and the required fee and charges, if any, will be borne by the Concessionaire and the same shall be adjusted in the revenue sharing in future.	Deleted
22.	<b>Technical Bid Opening</b> (Page no. 02)	25 <sup>th</sup> November 2025.	29 <sup>th</sup> December 2025. at 11.00 AM.
